Grant Tucker were also in attendance. Commissioner Kleinhenz gave the Invocation and led the Pledge of Allegiance.

Next, the minutes of the May 9, 2011 meeting were approved unanimously on a motion by Commissioner Kleinhenz and seconded by Commissioner Franke.

Next, Engineer Hollander presented the Commissioners with an application and letter to sign for federal funding from the Indiana Department of Transportation (INDOT) for the final phase of the 600 North project. This letter is requesting federal funds in the amount of \$2,376,000. Chairman Lienhoop said this will be a tough section to finish due to moving the utilities and being in front of the Cross Cliff Elementary School. The right-of-way came from the school side of the roadway. Chairman Lienhoop mentioned that it is approximated that \$1.8 million will be used for construction, \$270,000 for inspections, and \$900,000 for utilities. The year this occurs, there will be very little to no paving done due to the lack of funds. Commissioner Franke made a motion to approve signing the letter being sent to request federal funding for the last phase of the 600 North improvements. Commissioner Kleinhenz seconded the motion that passed unanimously.
