

ELECTION BOARD MEETING MINUTES

NOVEMBER 15TH, 2019

10:00 A.M.

Those in attendance: James Holland (President), Julie Schuette (Vice-President), Jay Phelps (Secretary), Peter King (Attorney), and Shari Lentz (Voter Registration Supervisor)

President, Jim Holland reconvened the meeting from Election Day, November 5th, 2019.

The first order of business was to review the ballots that were received after the Election Day, noon deadline. The following were received after the state mandated deadline and therefore were not entered into the vote count:

Joshua Ryan Davis Precinct 2700

The board inspected the PRE-16 forms from the Election Day forms tablet and found no major discrepancies among the comparison of number of check ins on the electronic poll books to the number of vote counts on the voting machines.

With no further action needed regarding the 2019 Municipal, the board certified the election results that will be submitted to the Indiana Election Division.

The board then reviewed a proposal of the 2020 Vote Center locations and discussed changes for the upcoming 2020 election cycle. The board selected the following locations for the 2020 Primary and General Elections:
