THE BARTHOLOMEW COUNTY VOTE CENTER PLAN

*"Democracy is the government of the people, by the people,
for the people."*

- Abraham Lincoln

Mid-Term and Presidential Election:

A crucial component to the success of vote centers is the satellite absentee voting process. The Bartholomew County Courthouse will accommodate early voting 28 days prior to the election. The Courthouse is open Monday – Friday from 8:00 a.m. to 5:00 p.m. In addition, the Bartholomew County Courthouse will be open for voters to cast their ballot on the two Saturdays prior to the election from 8:00 a.m. to 3:00 p.m.

Main Source Bank (St. Road 46 West), Donner Center and Flintwood Wesleyan Church will also serve as satellite voting centers for voters the Monday – Friday prior to the election from 11:00 a.m. – 7:00 p.m. These locations will also be available for voting on the Saturday prior to the election from 8:00 a.m. – 3:00 p.m. These requirements meet Indiana Code I.C. 3-11-10-26.3 and I.C. 3-11-18.1-4 (16).

SECURITY PROCEDURES FOR SATELLITE VOTING

At the beginning and end of each day, poll workers will collectively match the number of voter's signatures on the electronic poll book to the number of voters on the voting machines. This is to ensure that every vote is counted and the integrity of the election is guaranteed.

A staff member from Donner Center, Main Source Bank (West) and Flintwood Wesleyan Church, with the aid of the Bartholomew County Election Board, will assist poll workers in maintaining a secure location for the machines after poll workers leave the building for the day. Upon completion of early satellite voting on the Saturday prior to the election, the Republican Inspector and Democrat Judge will be responsible for transporting the machines to the Bartholomew County Courthouse. The machines will then be securely locked and stored until the vote counting process on Election Day. This procedure will be executed in all mid-term, presidential and municipal elections.

BARTHOLOMEW COUNTY
VOTE CENTER PLAN
MID-TERM AND PRESIDENTIAL ELECTIONS
FEBRUARY 29, 2016

Since 2011, the Bartholomew County Election Board, the Vote Center Committee, and the Voter Registration/Elections Office have been carefully studying the implementation of vote centers for our county. During this detailed study of the vote center concept, the following criteria needed to implement vote centers were examined: vote center locations, additional absentee satellite locations, equipment, internet connectivity, affordability, and the impact this process will have on the voter.

3-11-18.1-4 Requirements of Plan

1. In Compliance with *I.C. 3-11-18.1-4 (5)*, Bartholomew County will have 18 vote center locations in a mid-term and presidential election strategically placed throughout Bartholomew County. These locations were selected because of their accessibility to high traffic area roadways, internet connectivity, parking, handicap accessibility, space for equipment, voter flow, population, and voter turnout.
2. (See Attached Map of Vote Center Locations)
3. IMPLEMENTATION DATE: February 29, 2016
4. Bartholomew County currently has 45,560 active voters and 8,187 inactive voters:
(See Attached)
5. All sixty-six (66) precinct ballots will be made available at each vote center location, *I.C. 3-11-18.1-4 (5.)* This will allow every voter in Bartholomew County to be able to cast their ballot at any of the 18 vote center locations in our county.

6. The number of precinct boards appointed to administer an election at each vote center location includes – 1 Inspector, 1 Democrat Judge, 1 Republican Judge, 1 Democrat Clerk and 1 Republican Clerk. All poll workers will be cross trained in order to utilize the workers as needed. (See Attached)
7. The number and name of each precinct will be administered by the precinct election board consistent with section 12 of this chapter – all 66 precincts will be associated with each and every vote center. (See Attached)
8. The list containing the number and title of each precinct and the precinct election officers who will oversee each vote center – 1 Inspector, 1 Democrat Judge, 1 Republican Judge, 1 Democrat Clerk and 1 Republican Clerk.
9. The ballot style variations will be dependent upon if it is a county, municipal or presidential election. These electronic ballots are programmed onto each voting machine. Provisional ballots will be made available upon demand.
10. Equipment description – The Bartholomew County I.T. Department will use a secure Verizon or AT&T hotspot connection at each vote center location. This will allow an electronic connection between the KnowInk Electronic Poll Pad and a secure web server that will be accessed from the Vote Registration Office. Every electronic poll book will contain a data base that securely holds all registered voters in the county.
11. Bartholomew County will utilize the KnowInk Electronic Poll Pad. This electronic poll book will securely connect to every vote center and to the County Election Board at the Bartholomew County Courthouse.
12. There will be two electronic poll books at each vote center location with the exception of Donner Center, St. John's Masonic Lodge and Grace Lutheran Church. The mentioned vote centers will have three electronic poll books due to the high volume of voter turnout at these locations.
13. Bartholomew County I.T. Department as well as two machine technicians will be available on Election Day. The Bartholomew County I.T. Department will assist vote centers if there is any disruption with internet or technology during satellite voting or on Election Day. Each location will be supplied with Verizon or AT&T hotspots to ensure internet capabilities. Both political parties will equally oversee the voting process. This includes voter check-in, placing voters on machines, printing off tally tapes, giving poll lists to poll watchers, and returning all of the supplies at the end of the Election Day.

14. All 18 vote centers meet the I.C. 3-11-8 criteria that are in compliance with accessibility requirements for polling locations. Two staff members from the Voters Registration/Elections Office have surveyed each location to ensure it meets the Help America Vote Act.
15. (See Attached for Vote Center Layout)
16. There will be 4 satellite voting centers including the Bartholomew County Voter Registration/Election Office. (See attached for dates, times and locations)
17. Voter data will be provided at 9:00 a.m., 12:00 noon and 3:00 p.m. on Election Day to those who are entitled to receive the information upon request at the Bartholomew County Voter Registration Office.
